Dear John:

Thanks for the registration card of Dale V. Trombley and for the photo copy of your letter of three years ago correcting the "C" to "V" in his initial.

Following your placing of him with us back in 1965 there was no further activity in his file until last month when Central Florida wrote us about Trombley. That council had registered him both as a Scoutmaster and Neighborhood Commissioner and they asked that we drop him. We responded as per attached photo copy.

Your letter confirms our belief that Dale C. and Dale V. are the same individual. Thanks for the additional information.

Dear Mr. Caldwell:

Thank you for the material concerning Dale Trombley. Frankly, I'm a little embarrassed about this because we already had information in our files about a Dale C. Trombley, who quite clearly is the same individual as your Dale Virgil Trombley.

Our girls should have caught this and questioned him with you before we accepted him in either his Commissioner or Scoutmaster position. But, in both cases each of two different girls let it go through. My apologies to you. I feel sure that this one at least won't get by us again.

Best regards.

Dear Mr. Boyd:

As of today, I have picked up the registration card of Dale V. Trombley to be forwarded to National Registration Service to verify his current registration status.

Our Council has information he was attempting to register locally as Scoutmaster of a Salvation Army troop.

Checking with Central Florida Council revealed they were placing him on the confidential list. Further checking revealed a letter from this Council to your office as of March 16, 1965 (copy enclosed) which is self explanatory.

The local Salvation Army Commander has been notified and is aware of the situation so need only letter from your office in regard to current registration status.

Dear Mr. Boyd,

A registered Scouter, Dale Virgil Trembley, very recently in conference with Virgil J. Powers, District Scout Executive and myself admitted to a history of homosexual activity.

Please find attached a statement from [REDACTED] and a copy of his registration application.

Today we learned that he is living in Sarasota, Florida and attempting to affiliate with Scouting there. He is presently carrying a Boy Scout registration card as Scoutmaster expiring in November of 1968. We are holding the registration card as a Neighborhood Commissioner.

STATEMENT

A mother called and said that Mr. Trombley had been coaching her 10-year-old son on Tenderfoot requirements for Boy Scouts. He had asked to take the boy over to his apartment so that there would be less interference from other children in the boy's home. The mother was concerned. She was advised not to allow the boy to engage in this activity. Trombley was greeted by the boy's father that evening and run off the property after some harsh conversation.

Trombley transferred his Scout activity to another community and got involved in a similar situation in that community also. Inquiries by this office revealed a history of suspicious activity by his former employer and employees and minister of his church.

Trombley was invited in for conference and admitted homosexual activity and that his doctor had advised him to stay away from young boys that he was a "potential electric chair" case. Roy Henderson was invited into the conference for verification. This man admitted that he had been but he is now cured of homosexual tendencies. He continued to admit, however, that he could not keep himself out of difficult situations with boys and their parents that at anytime he would break. Both Mr. Henderson and I advised him to resign all positions in Scouting. He tendered his resignation as Scoutmaster and moved to Sarasota, Florida.

SUPPLEMENTARY OFFENSE REPORT

OFFENSE: Unnatural Sex Act COMP. # 46116

COMPLAINANT: [REDACTED]

ADDRESS: [REDACTED]

ADDITIONAL DETAILS OF OFFENSE, PROGRESS OF INVESTIGATION, ETC.

4/9/65 - Before this complaint came in, the subject DALE TROMBLY w/m approx. 24 years old, 916 Highland Drive, Sarasota or 2401 32nd St. W. was taken in Troop 63 Boy Scouts of America as Asst. Scout Master.

After certain old occurrences with Trombly, [REDACTED] and I decided not to leave Trombly with any of the Scouts by himself. After a few weeks, we started to find out that he was always buying candy and ice cream for the boys around 11 or 12 years old. He always wanted to pick the boys up from home to take them to Troop Meetings or other places, and then bring them home again, which didn't seem just right. Then, conversation was overheard by a couple of the boys and they were questioned further into what was said and this is what, according to most of boys in Troop and boys outside the Troop he has associated with in an Archery Club, Skindiving Club he has tried to start. He has told them certain things and bought them certain things and then would see if they told their parents about receiving the items. If yhey didn't, then he would swear them to secrecy and then tell them about his masturbating machine he said he made and about sex pictures he had, but none of the boys I talked to have ever seen the machine or pictures. He would tell them stories about taking out a girl that works in the bank in Sarasota and describe the actions that would occur.

As far as I can find out, he has never dated a girl. He is always around boys in the age group of 10-13 years. Asfar as the boys are concerned, he has never made any advances with his hands or offered in any way to touch any body of the boy.

At this time, the subject has not been brought in for questioning.

Dear Mr. Boyd:

Replying to your letter of March 23rd with regard to Dale C. Trombley, there is going to be a bit of a delay in getting to you the additional information you asked for. The reason is that he has, of course, left Scouting. We will do our best, however, to get as much information as we can.

Incidentally, the Institutional Representative of Troop 63, of which Trombley was registered as an assistant Scoutmaster, is a Deputy Sheriff. He tells me that his office is receiving complaints about the young man for his activities with two other groups ---- boys in an archery class and in a scubba diving class which Trombley had organized.

Mr. [REDACTED], the Institutional Representative, has promised to get me a complete statement on the case as soon as he has accumulated all the facts.
